## Maintain Social Distancing Together...As We Dine Apart

### Maywood stands ready to assist with all of your outdoor dining needs.

- 30", 36", 42", and 48" round or square tables make it easy to facilitate social distancing requirements.
- Featuring a 5/8" thick plywood core and high-pressure decorative laminate top. Tops can also be manufactured to include your restaurant's logo.
- Available options in both the Original Series (single leg folding action) or Standard Series (knockdown pedestal).
- Trouble free for staff to set up, break down at the end of the night, and bring inside.
