

Design Planning

Standard Dimensions and Space Requirements

- For lateral seating, allow about 30" per person. Seating options such as armrests, oversized seating, etc., may affect the dimensions required for comfortable seating.
- Minimum aisle dimension is 36" in perimeter areas. 42" is preferred between rows.
- In training room situations, space from front of tables to presenter should be approximately 84".

Recommended Seating for Maywood Tables

Size	Seating For
30" Round	4
36" Round	4-6
(recommend k/d pedal, not folding)	
48" Round	6-8
60" Round	8-10
72" Round	10-12
30" x 48" Rectangle	6
30" x 72" Rectangle	8
30" x 96" Rectangle	10
36" x 72" Race Track	8
42" x 96" Race Track	12
